MP BN WORKING GROUP

Deliverable: Develop a procedural document that will be used as a guideline for the employment of MP Bns in support of garrison LE missions to Bases and Air Stations, and Operating Forces

7 Dec 00

LtCol Chris Martin

AGENDA

- Air Station Support
  - Personnel
  - MAW support
  - Equipment
  - Training
- Base Support
  - Personnel
  - DIV/FSSG support
  - Equipment
- T/O Validation
  - Impact on Base/Station support
- Operating Forces

AIR STATIONS/BASES NOT CONTIGUOUS

- **Air Stations**
  - Marines assigned to Air Station platoons remain for entire tour
  - Determine how many will remain at Air Stations
    - Platoons remain assigned to bn; X coded on T/O
    - PCS/A to FSSG and assign to CSSD for ADCON
    - Command relations
      - MOA/MOU
    - How support:
      - A Co: 2 plts
      - B Co: 1 plt
      - C Co: 1 plt
    - MAW FAP commitment terminated for MPs
- **Sourcing of operational/exercise commitments for MAW**
  - Provided by MP Bn (7 plt) until requirement for contingency more than MP Bn can support

AIR STATIONS/BASES NOT CONTINGUOUS (cont)

- Equipment
  - Rolling stock and organizational items remain at MP Bn
  - Individual weapons and personal gear remains at Air Station to which assigned
    - With individual
- Training
  - "Field" training? Required to accomplish ITS
  - How is it to be accomplished?
    - PM will have to assist in accomplishing
    - Less than 50 miles, we can assign as place of duty for training so they can return to Pendleton/Lejeune
  - Bn CO responsible
  - MOA/MOU

BASES WITH MP BN OR ADJACENT MCAS/BASE

- Remain assigned to MP Bn
  - MOA/MOU
  - Marines move to Base/Air Station
  - B and C companies rotate responsibility for providing
  - Entire platoon rotation
  - How often? Annually
- Sourcing of operational/exercise commitments for DIV/FSSG
  - Provided by MP Bn (7 plt) until requirement for contingency more than MP Bn can support
- Training
  - MOA/MOU
  - Training before arrive at Base and field training at Base

BASES WITH MP BN OR ADJACENT (cont)

- MP vs. Non-MP assigned in support of PMO
  - MP Bn picks up Div MP FAP commitment
  - Div MP commitment reduced by number of MPs currently FAP to base
  - Non-MP FAP commitment reduced by difference in current MP FAP commitment and "new" plt of 1/40
- Equipment
  - Rolling Stock remains at MP Bn
  - Organizational equipment remains with MP Bn
  - Individual weapons remain at MP Bn assigned to Marine, Marines come to clean
  - Individual issued equipment stays with Marine
  - Base will have to provide M-9s

T/O VALIDATION

- To occur during FY01
  - Another working group addressing
  - Impact of T/O validation
    - Reduce if validation calls for less
    - If validation calls for more
      - Maximum provided?
      - T/O change submissions
        - » Won't be revised before FY03
        - » Will it result in increased staffing goal?
    - Continue to provide maximum until commitment reduced by validation or increased staffing

OPERATING FORCES/ OTHER ISSUES

- Operating Forces
  - Command relations
  - MAGTF support
    - Task organize to requirement/mission
    - Make plt available for MEU
    - Pro/Con for deploying with every MEU
  - Ensure MEU/MEF familiar with capabilities
  - Battle roster
- Important that MP Bn train to and meet advertised capabilities
